

DACOTAH PAPER CO.

The TANGO MANGO Odor Control Program

from Nilodor, Inc.

1 **NILIUM** Water Soluble Deodorizer
N-0300 - 32 oz. Tango Mango

- Neutralizes the odor source - not mask them.
- Works great on all water safe surfaces.
- Can be used with cleaners, disinfectants.
- Improves and enhances your cleaning efforts.
- Labor Savings - reduce frequency of moppings.
- Concentrated 1 oz. / 1 gallon.

2 Bio-Enzymatic **URINE DIGESTER**
N-0611 - 32 oz. Tango Mango

- Digests and eliminates odors at the source.
- Bio-Enzymatic with an odor neutralizer that works around the clock.
- Mop or spray around urinals, commodes.
- Can be used on hard surface or carpeting.

3 Nilotron **Metered Aerosol**
N-1001 - 7 oz. Tango Mango

Nilotron metered refills release a perfect amount of air freshener to help keep your facility smelling fresh and clean.

Each refill provides 3000 sprays.

4 **ULTRAair™** Deodorizing **SCREENS**
N-0702 - Tango Mango

- Great Alternative to Para
- Environmentally & VOC friendly

Flexible fragrance screens contain optimal bacteria and 2x more fragrance than competitors flat urinal screens, to help clean and eliminate drain odors. Made from recycled plastic.

5 **ULTRAair** Deodorizing **AIR HANGERS**
N-0801

Versatile hang anywhere air freshener, that lasts for weeks. Made from recycled plastic.

6 **ULTRAair** Deodorizing **Clips**
N-0821

Fragrance clips contain 30x more fragrance than competitors toilet deodorizers, and fit on the outside of the toilet or side of the tank.

7 **ULTRAair** ROOM Deodorizer
N-0901

Air & room refresher that will last for weeks, and is made with recycled plastic.

ULTRAair CABINET **N-0908**

No batteries required.
