Compostable Sugarcane Plates, Bowls.

Made with sugarcane, a renewable material

Ivory-colored plates and bowls feature a trendy, square design that will enhance the appearance of any meal. The square shape is a stylish alternative to traditional round dinnerware.

			
Item PK2106 6.7" Plate 1000/cs	Item PK2108 8.25" Plate 500/cs	Item PK2110 10" Plate 500/cs	PK2112 12oz Bowl 500/cs

- Made with bagasse, a by-product of sugarcane processing
- Made with at least 94% renewable resources
- Compostable in a commercial composting facility
- TCF (total chlorine free) bleaching
- Strong and soak-through resistant
