SP3397 Consume Biobowl Neutral acid, toilet urinal & shower room Cleaner packed 12 qts
(also in 55gl drum **SP3396**)

SP0535 Consume Wastewater Treatment LIQ packed 5gl

Kitchens: Consume products maintain the drain lines & may reduce the number of times grease trap needs to be cleaned out. For drains, use CONSUME drop-in-a-drain (1/drain) or 3-4oz of CONSUME Liquid regularly. Use Eco-Lyzer (add 2-6oz per gallon of water) to clean floor.

Carpets: Use Consume (add 6oz/gallon of water) as a pre-spray on spills such as soda, candy, vomit, or any other food-based soil.....pre-spray & extract

Restrooms & locker rooms: Use EcoLyzer (add 2-6oz per gallon of water) to remove urine smell from grout lines. Use Bio-Bowl in the urinal & toilet to remove hard water stains & reduce odors. Use Bio-Bowl to remove hard water stains in the showers. Add Consume drop-in-a-drain into floor & sink drains to prevent build-up & odors.

Dumpsters & trash rooms: Spray down using a foam gun using either Eco-Lyzer or Consume LIQ.

Drinking Fountains, concession stands, beer taps. Use consume drop-in-a-drain to keep drains free flowing.

Shop Floors, Loading Docks & Parking garages: Use Micro-Muscle with auto scrubbers to remove oil & other fluids
