SpillEater™ takes care of a spill like it never happened. This absorbent is made from all natural plant fiber (cotton) and is designed with patented Fiberlock technology allowing it to encapsulate liquids on contact. Its powerful wicking action absorbs spills 58% faster than other absorbents. It can be used on spills of virtually any type:

- Vegetable Oil
- Ammonia
- Drain Cleaner
- Liquid Soap
- Water
- Bleach
- Blood
- Urine
- Motor Oil
- Latex Paint
- Vomit
- Hydrofluoric Acid
- Gasoline
- Battery Acid
- Diesel Fuel
