## Health Gards® Metered Aerosol Dispensers

Item # HY7523  
Health Gards®  
Cirrus®2

The Health Gards® Cirrus®2 Aerosol Dispenser is truly a step ahead in dispenser function and design. Featuring the distinctive Health Gards® .Cloud. design and an easy-read LCD programmable clock that displays current time. The user can choose from 24-hour operation or preset start and stop times. Programmable dispenser permits user to determine intervals between sprays (1 to 99 minutes). One D cell battery required.

Item # HY7523  
Health Gards®  
Stratus® 3 Slimline

The Health Gards® Stratus®3 Metered Aerosol has been designed with a smaller footprint on the wall. Polypropylene construction will not break down or melt away from the over spray of acetone based formulations. 24-hour/day (light sensing) modes of operation. Services up to 6,000 cubic feet. Wall mount is easy to refill. Spray timer adjusts to release aerosol at 5-, 10-, 15- or 20-minute intervals. Longer-lasting battery life, uses one or two AA batteries.
